**THE ART PARADE
SATURDAY, SEPTEMBER 9, 2006, 4PM
WEST BROADWAY**

Deitch Projects is pleased to announce the second annual Art Parade. The parade will take place on Saturday September 9, at 4PM, on West Broadway. Following the success of last year's inaugural event, artists, performers and designers are being invited to create floats, placards, portable sculptures, kites, performances and street spectacles. In addition to invited artists there will also be an open call for parade projects. Potential participants are asked to submit their proposals to artparade@deitch.com.

THE ART PARADE is co-produced by Creative Time, New York's veteran and vanguard public arts presenter and Paper Magazine, the definitive guide to downtown style and culture.
