**THE ART PARADE

GRAND STREET**

Deitch Projects is excited to announce THE ART PARADE, an artist parade that will take place Saturday evening, September 10, on Grand Street between Crosby and Wooster. Artists, performers and designers are being invited to create floats, placards, spectacles and street performances. In addition to invited artists there will also be an open call for parade projects. Potential participants are asked to send their proposals to info@deitch.com.

The Art Parade is being produced by Deitch Projects in collaboration with Paper Magazine with the assistance of Creative Time. We hope that The Art Parade will become an annual event to mark the beginning of the art season and New York Fashion Week.
