Deitch Projects is pleased to present a photograph from VBGDW, a project by Vanessa Beecroft.

Vanessa Beecroft's work involves the extension of the issues of painting into the realm of the performative. VBGDW lays in the gap between real life and fiction, life and painting. During the past five years, Vanessa Beecroft has produced more than 45 live events.

The opening of VBGDW will also celebrate the release of VB 08-36, a new book on Vanessa Beecroft's live events, published by Cantz.

The exhibition will take place at a new Deitch Projects exhibition space on 26 Wooster Street.

**GALLERY HOURS ARE TUESDAY – SATURDAY, 12 – 6 PM.
